with improvements, commonly known as \_\_\_\_\_, to Buyer, who agrees to pay the total sum of \$ \_\_\_\_\_ (“Purchase Price”) therefore in the manner following: Buyer has paid \$ \_\_\_\_\_ and on or before \_\_\_\_\_ (date) will pay an additional sum of \$ \_\_\_\_\_ as earnest money: (check one)

- ☐ **B.** To be delivered to Seller, receipt of which is hereby acknowledged;

and the remainder as required by the closing agent on or before \_\_\_\_\_, and on receipt of deed.

4. **EVIDENCE OF TITLE:** Not less than fourteen (14) days prior to closing, Seller will furnish Buyer with written commitment from a title insurance company duly authorized to do business in Illinois, showing title to said premises subject only to matters to which this sale is subject by the terms hereof and to the customary exceptions contained in an Owner's Title Policy issued by such company. If written commitment discloses defects in title other than matters to which this sale is subject by the terms hereof and the customary exceptions in such policies, then Seller shall have until date for delivery of deed to correct such defects. An Owner's Title Policy, in amount of the purchase price for said premises, will be paid for by the Seller and issued to Buyer after delivery of deed.

5. **DEED AND POSSESSION:** Seller will cause fee simple title to said real estate to be conveyed to Buyer, or to such party as Buyer may direct, by Warranty Deed (or Trustee's Deed or Executor's Deed, where applicable), and shall deliver possession to Buyer upon payment being made as herein provided, on or before \_\_\_\_\_. Seller shall pay all owners' association(s) dues and/or assessments, and water, sewer, and public utility service charges incurred for improvements on said real estate up to the time when possession passes to Buyer.

6. **RISK OF LOSS:** This Contract is subject to the State of Illinois Uniform Vendor and Purchaser Risk Act (765 ILCS 65/1), which provides, in general, that the Seller shall bear the risk of loss until transfer of possession or receipt of deed, whichever occurs first.

7. **TAXES:** Unless otherwise provided for herein, all general real estate taxes shall be prorated **through the date before closing**, and by allowance of Seller's share thereof being a credit against the purchase price at closing, **based upon the latest known assessed valuation and latest known tax rate**. Further, the Parties agree that the real estate taxes shall be re-prorated for a given year upon receipt of the actual real estate tax bills. The re-proration shall be done by the Party receiving the tax bill with notice to the other Party. If the re-prorated amount differs from the credit amount by \$100.00 or more, Seller shall pay Buyer, or Buyer shall pay Seller, the appropriate adjustment within fifteen (15) days from receipt of the re-proration computation (or receipt of the actual tax bill, whichever is received first by the Party obligated to pay the adjustment). All transfer taxes shall be paid by Seller. This provision shall survive closing and delivery of deeds.

8. **ENCUMBRANCES:**

A. Mortgages, if any, shall be satisfied out of the purchase price and released when deed is delivered. Seller's obligation to obtain the mortgage release shall continue until the release is obtained and recorded.

B. Easements and building or use restrictions of record, and zoning and building ordinances, if any, shall not be considered as rendering title unmerchantable or unacceptable, provided same are not violated by the existing improvements or the use thereof.

9. **PERSONAL PROPERTY:** The purchase price expressed above includes the following items, which are in place at the time of the offer, which pass for no additional consideration:

☐ Refrigerator    ☐ Stove/Oven/Range    ☐ Dishwasher    ☐ Microwave    ☐ Window Coverings and Hardware

☐ Ceiling Fans    ☐ Bathroom Mirrors    ☐ Washer    ☐ Dryer    ☐ Freezer    ☐ Satellite Dish/No Controls

☐ Garage Door Opener & Remotes    ☐ Television Wall Mounts    ☐ Paint Cans

Other \_\_\_\_\_ Other \_\_\_\_\_

10. **FINANCING:** This Contract is subject to Buyer obtaining (**Check one of the following**):

A ☐ This is a cash transaction and is not subject to financing.

B ☐ This is subject to financing as follows:

☐ Conventional / ☐ VA / ☐ FHA / ☐ IHDA / ☐ UDAG ☐ USDARD / ☐ Other \_\_\_\_\_ and ☐ ARM / ☐ Fixed Interest Rate financing in an amount equal to \_\_\_\_\_ % of the Purchase Price amortized over \_\_\_\_\_ years: at an interest rate not to exceed \_\_\_\_ % and points charged not to exceed \$ \_\_\_\_\_; or at the prevailing loan interest rate and terms.

Seller agrees to pay up to \$ \_\_\_\_\_ in discount points, if charged by lender.

Seller agrees to pay \$ \_\_\_\_\_ of Buyer's closing costs, Discount Points, and/or prepaid items.

Buyer agrees to make a good faith effort to apply for said financing on or before \_\_\_\_\_. In the event Buyer is unable to obtain this financing and Buyer so notifies Seller in writing, accompanied by lender denial letter on or before \_\_\_\_\_, this Contract shall become null and void, and any down payment paid or escrowed shall be refunded to

Buyer. **IF SELLER IS NOT SO NOTIFIED, IT SHALL BE CONCLUSIVELY PRESUMED THAT BUYER HAS SECURED SUCH COMMITMENT OR WILL PURCHASE SAID PROPERTY WITHOUT RELIANCE UPON ANY MORTGAGE FINANCING CONTINGENCY.**

11. **APPRAISAL: (Check one of the following):**

- A. ☐ This contract is not subject to an appraisal contingency and is not required for approval of financing.
- B. ☐ The Buyer(s) may have an appraisal of the premises for informational purposes only by \_\_\_\_\_. In the event the home does not appraise at or above the purchase price, the Buyer shall supply any funds necessary due to a decrease in the loan amount caused by a low appraisal. An appraised value under the purchase price is not grounds to revoke, rescind, or modify the contract.
- C. ☐ This Contract is subject to Buyer obtaining, at Buyer's expense, an appraisal of the premises reflecting a value of not less than the Contract purchase price set forth in Paragraph 1 above. Buyer agrees to make a good faith effort to obtain such an appraisal. If the subject property does not appraise for at least the Contract purchase price and Buyer notifies Seller in writing and provides Seller with a copy of the appraisal on or before \_\_\_\_\_, this Contract shall become null and void and any down payment paid or escrowed shall be refunded to Buyer; or Buyer and Seller may renegotiate the Contract. If the agreement is not renegotiated by the end of the second business day after such notification, it shall be presumed that the agreement is null and void and any down payment paid or escrowed shall be refunded to Buyer. If Seller is not so notified, it shall be conclusively presumed that Buyer has secured such appraisal or will purchase said property without reliance upon any appraisal contingency.

12. **WOOD DESTROYING INSECT PROVISION:** At Buyer's expense, Buyer shall have the right to obtain a current written statement, on that form as currently approved for use by the Department of Veteran's Affairs and Department of Housing and Urban Development, from a licensed exterminator that based upon careful visual inspection of readily accessible areas there is no evidence of wood destroying insect infestation in the subject property or evidence of any previous infestation. Buyer shall submit a copy of the inspection report to Seller not less than fourteen (14) days prior to closing. In the event the inspection reveals a current active infestation, then Seller shall bear the cost of extermination. Any other treatment shall be at Buyer's expense. In the event the inspection reveals active infestation or previous infestation, then Buyer shall have the right to have the premises inspected by a qualified person of Buyer's choice, and at Buyer's expense, for the purpose of determining whether there is any defect in any structural member. In the event it is determined that a structural defect exists, Buyer shall cause a copy of the written report of the inspection for structural defect to be delivered to Seller not less than seven (7) days prior to closing. Seller shall then have the option of correcting such structural defect or rescinding the Contract and returning the down payment to Buyer. Should the Seller elect to rescind, Seller must give notice of such election to Buyer not less than five (5) days prior to closing. Should Seller elect to rescind, Buyer shall still have the right to consummate the purchase transaction, taking the property in "as is" condition with respect to the reported structural defect. Buyer must give Seller or Seller's attorney written notice of this intention within four (4) days of receiving Seller's notice of rescission. Structural components shall not be considered defective if they are structurally sound.

13. **RADON TESTING AND MITIGATION: (Check one of the following):**

- A. ☐ The Buyer has waived the right to obtain a radon test/inspection and accepts in "as is" condition.
- B. ☐ The Buyer may obtain a radon test/inspection of the premises for informational purposes only by \_\_\_\_\_. The Buyer may not rescind, revoke, or modify the contract based on any purported findings.
- C. ☐ At Buyer's expense, Buyer shall have the right to obtain a radon test/inspection of the premises by an independent inspection service provider trained or certified/licensed by the State of Illinois. If the average radon level is measured at four (4.0) picocuries per liter of air or higher, Buyer may request that the radon is mitigated by a licensed professional. To request remediation, Buyer must submit to Seller, in writing, a specific request for remediation and a copy of the inspection report(s) on or before \_\_\_\_\_. Buyer shall indemnify Seller and hold Seller harmless from and against any loss or damage caused by the acts of negligence of Buyer or any person performing any inspection.
- a. If defects are reported, then Seller shall elect one of the following options, and shall give written notice to Buyer or to Buyer's attorney within seven (7) days of receiving Buyer's remediation requests and reports:
- i. Treat the condition and repair the defect at Seller's own cost and expense;
  - ii. Give Buyer a credit for the cost of repair payable to mitigation company at settlement; or
  - iii. Rescind the Contract and refund Buyer's earnest money.
- b. If Seller does not give timely written notice of Seller's election, this Contract shall be deemed to be rescinded effective at the beginning of the eighth day after Seller shall have received Buyer's remediation request(s) and report(s), and Buyer's earnest money/down payment shall promptly be refunded, unless Buyer elects to purchase the property in accordance with subparagraph C.
- c. Should Seller elect or be deemed to have rescinded the Contract, Buyer shall have the right to consummate the purchase transaction taking the property in "as is" condition, with whatever defects exist. Buyer must give Seller or Seller's attorney written notice of this intention within four (4) days of receiving Seller's notice of rescission, or absent timely response from the Seller, then within four (4) days after the end of the seven (7) day period specified in subparagraph B above.
- d. At Buyer's expense, Buyer shall have the right to obtain a post-mitigation radon inspection by a licensed radon inspector.

14. **EQUIPMENT & OTHER INSPECTIONS: (Check one of the following):**

- A. ☐ The Buyer has waived the right to obtain inspection(s) and accepts the property in "as is" condition as of the date of this offer.
- B. ☐ The Buyer may obtain inspection(s) of the premises for informational purposes only by \_\_\_\_\_.  
The Buyer may not rescind, revoke, or modify the contract based on any purported findings.
- C. ☐ At Buyer's expense, Buyer shall have the right to obtain inspection(s) of the premises by independent inspection service provider(s) trained or certified/licensed, if such certification or licensing is available, and/or qualified to determine the condition of the premises. A qualified inspector is a person who by reason of appropriate experience and training in a particular trade or industry is considered competent to conduct such an inspection and render an opinion. If inspection discloses any TOXIC MOLD, TOXIC HAZARDOUS WASTE, or any defects with the HEATING, AIR CONDITIONING, ELECTRICAL or PLUMBING SYSTEMS, REMAINING APPLIANCES, ROOF, STRUCTURAL COMPONENTS, WELL or SEPTIC SYSTEMS. Buyer may request repairs or remediation. To request repairs or remediation, Buyer must submit to Seller, in writing, both a separate, itemized list of Buyer's specific requests and a copy of the inspection report(s) on or before \_\_\_\_\_. Buyer shall indemnify Seller and hold Seller harmless from and against any loss or damage caused by the acts of negligence of Buyer or any person performing any inspection.
- i. Minor repairs and routine maintenance items do not constitute defects under this Contract. The fact that a functioning major component may be at the end of its useful life shall not render such component defective for purposes of this Contract. A condition does not constitute a defect or an unsafe condition solely through a building code requirement made effective subsequent to installation or construction. Minor repairs and routine maintenance items shall not constitute defects eligible for Buyer requests to the Seller under this contingency and shall not be deemed a part of this contingency. "Minor repairs" shall include, but not by way of limitation: minor warping of wood products; cracks in tile grouting; minor cracking of and nail pops in drywall; and minor cracks in concrete. "Routine maintenance" shall include, but not by way of limitation: small-scale activities (typically requiring only minimal skills or training) associated with regular (daily, weekly, monthly, yearly, etc.) upkeep of equipment, systems, appliances, and buildings to minimize the effects of normal wear and tear, and, by way of example, include filter changes, painting, caulking, sealing, door hardware replacement and routine tuck pointing.
- ii. The following are conditions precedent to Buyer's right to request remediation:
- 1) In the aggregate the cost of repair or replacement must equal to ☐ \$2,000.00 or ☐ \_\_\_\_\_.
  - 2) The defects must not have been disclosed in the Residential Real Property Disclosure Act or other similar form.
  - 3) The defects must not have been disclosed to Buyer in writing prior to the date the offer was made to purchase.
  - 4) The defects must not have been readily observable and obvious. Defects which are not readily observable and obvious include concealed or obscured conditions or conditions requiring a trained person to identify, but do not include those readily apparent to the naked eye.
  - 5) The structural components shall not be considered defective if they are structurally sound.
- iii. The following items are **NOT** defects unless it is a predication for financing.
- 1) The roof (defined as all materials above rafters and trusses) is not defective if it is free from leaks.
  - 2) Windows and doors, if they open and close, have missing or torn screens, or broken window seals.
  - 3) Ungrounded or non GFCI protected outlets are not defective unless relevant code required otherwise at the time of installation.
  - 4) Undersized breakers, double taps, and knob and tube wiring.
  - 5) Items that were to code at the time of construction are grandfathered and not considered defective.
  - 6) Tears, worn areas, and discoloration of floor coverings, wallpaper, and window treatments.
  - 7) Cracks in exterior floor tile, driveways, sidewalks, pool decks, garage, and patio floors.
  - 8) Scratches, dents, scrapes, chips, and minor cracks in interior ceilings, walls, flooring, tile, fixtures, caulking and mirrors.
  - 9) Nail holes and nail pops in drywall.
- iv. If defects are reported, then Seller shall elect one of the following options, and shall give written notice to Buyer or to Buyer's attorney within seven (7) days of receiving Buyer's remediation requests and reports:
- 1) Treat the condition and repair the defect at Seller's own cost and expense;
  - 2) Give Buyer a credit for the cost of repair at settlement; or
  - 3) Rescind the Contract and refund Buyer's earnest money.

If Seller does not give timely written notice of Seller's election, this Contract shall be deemed to be rescinded effective at the beginning of the eighth day after Seller shall have received Buyer's remediation request(s) and report(s), and Buyer's earnest money/down payment shall promptly be refunded, unless Buyer elects to purchase the property in accordance with subparagraph G.

- v. Should Seller elect or be deemed to have rescinded the Contract, Buyer shall have the right to consummate the purchase transaction, taking the property in "as is" condition, with whatever defects exist. Buyer must give Seller or Seller's attorney

written notice of this intention within four (4) days of receiving Seller's notice of rescission, or absent timely response from the Seller, then within four (4) days after the end of the seven (7) day period specified in subparagraph E.

- D. Buyer shall have the right to make a final inspection of the property immediately prior to settlement to verify that its condition has not deteriorated from the date the offer was made to purchase (ordinary wear and tear excepted).
- E. Seller agrees to leave the property in broom swept condition (swept and vacuumed). All remaining appliances shall be in reasonably cleaned condition. All personal property, debris, and any remaining items that are not conveyed to the Buyer per the terms of the contract, shall be removed from the property by the Seller, at Seller's cost or their expense. Yard, walkway, and driveway to be maintained by Seller prior to the final walk-through.
- F. **Home Protection Plan:** Seller shall provide Buyer a credit at closing for the cost of a one-year home protection plan, to be issued by \_\_\_\_\_ with the following optional coverage: \_\_\_\_\_. The home protection plan cost shall not exceed \$\_\_\_\_\_.

15. **LEAD-BASED PAINT AND/OR LEAD-BASED PAINT HAZARDS: (Check one of the following):**

- 2) ☐ The improvements on the real estate subject to this Contract were built before 1978, but Buyer has knowingly and voluntarily waived the right to conduct a risk assessment or inspection for the presence of lead-based paint and lead-based paint hazards. (See Disclosure Statement attached hereto and made a part hereof by this reference.)
- 3) ☐ This Contract is contingent upon a risk assessment or inspection of the property for the presence of lead-based paint and/or lead-based paint hazards at Buyer's expense until 5:00 p.m. on the tenth (10th) calendar day after the effective date of this Contract. This contingency will terminate at the aforesaid predetermined deadline unless Buyer delivers to Seller a written notice listing the specific existing deficiencies and corrections needed, together with a copy of the inspection and/or risk assessment report. Seller may, at Seller's option, within two (2) days of delivery of the notice, elect, in writing, whether to correct the condition(s) prior to the final time of settlement of this Contract. If Seller will correct the condition(s), Seller shall furnish Buyer with certification from a risk assessor or inspector demonstrating that the condition(s) has been remedied before the final date of settlement. If Seller does not elect to make the repairs or remediation, or if Seller makes a counter-offer, Buyer shall have two (2) days to respond to the counter-offer or remove this contingency and take the property with whatever lead-based paint and/or lead-based paint hazards exist; otherwise, this Contract shall become null and void, and Seller shall return the down payment to Buyer. Buyer may remove this contingency at any time without cause. (See Disclosure Statement attached hereto and made a part hereof by this reference.)

Unless Paragraph (1) above is checked, indicating subject premises were built after 1977, Buyer acknowledges receipt of a federal lead information pamphlet and the form entitled "Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards" and information, if any, possessed by Seller concerning the presence of lead paint on the property as required by the Federal Residential Lead-Based Paint Hazard Reduction Act.
